Tuesday, 29 September 2026

Pre-congress CME - Capetonian Hotel, Raya 2 & 3

08:00 Workshop Registration		Meeting Room Foyer
BASICS OF PD WORKSHOP		
Supported by Adcock Ingram Critical Care		
Chairperson: Brett Cullis		
08:30	Welcome	
09:00	Peritoneal dialysis - Who, why and when <i>Brett Cullis, South Africa</i>	
09:20	Anatomy and physiology of the peritoneal membrane <i>Bianca Davidson, South Africa</i>	
09:40	PD prescribing including APD <i>Nicola Wearne, South Africa</i>	
10:00	PD access, keys to success <i>Lungiswa Mtingi-Nkonzombi, South Africa</i>	
10:20	Discussion	
10:30 Tea / Coffee Break		Meeting Room Foyer
Chairperson: Nicola Wearne		
11:00	Predialysis education and patient identification <i>Petronella Ranjit, South Africa</i>	
11:20	How to train a patient on PD <i>Leigh Morton, South Africa</i>	
11:40	Infectious complications <i>Wesley van Hougenhouk-Tulleken, South Africa</i>	

12:00	PD in Children <i>Ashton Coetzee, South Africa</i>	
12:20	Discussion	
12:30	Lunch Break	Meeting Room Foyer
13:30	Non-infectious complications <i>Alda Vermeulen, South Africa</i>	
13:50	Case studies - Peritonitis <i>Faculty</i>	
15:00	Tea / Coffee Break	Meeting Room Foyer
15:30	Case Studies - Prescribing and fluid management <i>Faculty</i>	
16:30	Closing Remarks	

Wednesday, 30 September 2026

Pre-congress CME, Cape Town International Convention Centre (CTICC 1)

8:00 Workshop Registration		At Each Workshop Venue			
PRACTICALITIES OF PD		FUNDAMENTALS OF PD CME WORKSHOP <i>Supported by Fresenius Medical Care</i>		HANDS- ON PD ACCESS WORKSHOP <i>Supported by Vantive</i>	
Venue: Meeting Room 1.61 & 1.62		Venue: Meeting Room: 1.63 & 1.64		Venue: Meeting Room 1.4	
Co-Chairpersons: Ana Figueiredo & Josephine Chow		Co-Chairpersons: Edwina Brown & Anjali Saxena		Co-Chairpersons: Robert Freercks, Eddie Tan & Richard Corbett	
8:50	Welcome and introduction <i>Ana Figueiredo, Brazil</i>	8:50	Welcome and introduction <i>Edwina Brown, United Kingdom</i>	8:50	Welcome and introduction <i>Robert Freercks, South Africa</i>
9:00	Planning to start a program and quality care initiatives <i>Ahad Qayyum, Pakistan</i>	9:00	PD post-surgery <i>Anjali Saxena, USA</i>	9:00	PD access history and current best practices <i>Eddie Tan, New Zealand</i>
9:20	How to improve nurse autonomy and get doctor buy-in for best care for patients <i>Leigh Morton, South Africa</i>	9:25	Preserving the peritoneal membrane <i>Rumeyza Kazancioglu, Turkey</i>	9:24	Managing access related complications <i>Richard Corbett, United Kingdom</i>
9:40	Practicalities of training a patient <i>Josephine Chow, Australia</i>	9:50	Managing itching, pain and other symptoms <i>Nicola Wearne, South Africa</i>	9:48	Paediatric PD insertion techniques <i>Peter Nourse, South Africa</i>
10:00	Supporting the new patient <i>Sally Punzalan, United Kingdom</i>	10:15	Electrolyte management - Sodium, Potassium and phosphate <i>Talerngsak Kajanabuch, Thailand</i>	10:12	Preoperative assessment, preparation and sedation for PD catheter insertion <i>Brett Cullis, South Africa</i>
10:20	Tailoring PD to your patient and adapting prescriptions <i>Barbara Crisp, South Africa</i>	10:40	Managing increasing frailty <i>Yasuhiko Ito, Japan</i>	10:36	The percutaneous PD catheter insertion technique <i>Robert Freercks, South Africa</i>
10:40	Discussion				

11:00	Tea / Coffee Break <i>Venue: Meeting Room Foyer</i>	11:00	Tea / Coffee Break <i>Venue: Meeting Room Foyer</i>	11:00	Tea / Coffee Break <i>Venue: Meeting Room Foyer</i>
11:30	Managing the tricky medical patient - heart failure, diabetes, BMD <i>Rasha Darwish, Egypt</i>	PD DELIVERY: HOW AND FOR WHOM?		11:30	Post operative management of the PD catheter <i>Nicola Wearne, South Africa</i>
		Meeting Room: 1.63 & 1.64			
11:50	Access skin marking and post catheter insertion care <i>Elaine Bowes, United Kingdom</i>	11:30	Personalised prescribing <i>Anjali Saxena, USA</i>	12:00	Demonstration of Catheter insertion in adults <i>Eddie Tan, New Zealand</i>
12:10	Infectious and non-infectious complications <i>Abdullah Bohasan, Saudi Arabia</i>	11:48	Knowing the peritoneal membrane helps prescribing <i>Richard Corbett, United Kingdom</i>	12:30	Demonstration of catheter insertion in paediatrics <i>Mignon McCulloch, South Africa</i>
12:30	Residual kidney function, clearance and PET – indications, collection and interpretation <i>Ana Figueiredo, Brazil</i>	12:06	PD in the Anuric patient <i>Lily Mushahar, Malaysia</i>		
		12:24	Managing fluid overload <i>Maria Slon, Spain</i>		
12:50	Discussion	12:42	Assisted PD <i>Edwina Brown, United Kingdom</i>		
13:00	Lunch Break <i>Venue: Meeting Room Foyer</i>	13:00	Lunch Break <i>Venue: Meeting Room Foyer</i>	13:00	Lunch Break <i>Venue: Meeting Room Foyer</i>
HANDS ON TRAINING WITH FACULTY		TROUBLESHOOTING: LEARNING FROM CASE STUDIES		HANDS ON TRAINING WITH FACULTY	
Venue: Meeting Room 1.61 & 1.62		Venue: Meeting Room: 1.63 & 1.64		Venue: Meeting Room 1.4	
		Co-Chairpersons: Edwina Brown & Jenny Shen			
14:00 - 16:00	Hand hygiene technique	14:00	Recurrent exit site infections <i>Bianca Davidson, South Africa</i>	14:00 - 16:00	PD catheter insertion <i>Faculty: Richard Corbett, Robert Freercks, Mignon McCulloch, Peter Nourse, Nicola Wearne, Elaine Bowes, Annabel Boyer, Thierry Lobbedez, Eddie Tan, Guillermo Hidalgo, Ashton Coetzee, Christel du Buisson, Deveshni Reddy, Agathe Nkoy, Younoussa Keita, Abdou Niang, Karlien Francois, Brett Cullis</i>
	PD catheter exit site care and dressing	14:30	Supporting patients in low resource environments <i>Jenny Shen, USA</i>		
	Line changes and line contamination	15:00	Hernia repairs and leaks <i>Lungiswa Mtingi-Nkonzombi, South Africa</i>		
	Collecting sample and adding IP antibiotics	15:30	Acute kidney injury <i>Sampson Antwi, Ghana</i>		
16:00	Tea / Coffee Break <i>Venue: Meeting Room Foyer</i>	16:00	Tea / Coffee Break <i>Venue: Meeting Room Foyer</i>	16:00	Tea / Coffee Break <i>Venue: Meeting Room Foyer</i>
15:00	ISPD Congress Registration				Registration Foyer
17:00	Opening Ceremony				Auditorium 1
17:00	Introduction				Shoyab Wadee, South Africa

17:02	Welcome from Local Organising Chairperson	Brett Cullis, South Africa
17:07	Welcome from South African Nephrology Society President	Nicola Wearne, South Africa
17:11	National Anthem	All Delegates
17:13	Welcome and Address from Deputy Director, Department of Health	Mrs J Hunter, South Africa
17:20	Address from Scientific Programme Chairperson	Edwina Brown, United Kingdom
17:25	ISPD President's Report	Rajnish Mehrotra, USA
17:50	Oreopoulos Award	Brett Cullis, South Africa
17:53	John Maher Award	Edwina Brown, United Kingdom
17:55	John Maher Lecture	Ahad Qayyum, Pakistan
18:30	Networking Function	Exhibition Hall (Ballroom East & West)

Thursday, 1 October 2026

ISPD Congress - Cape Town International Convention Centre (CTICC 1)

7:00 Registration in Registration Foyer		Registration Foyer
7:00 – 8:00	BREAKFAST MEETING - FRESENIUS MEDICAL CARE – Can less be more? The case for incremental PD across diverse settings Moderator: Yeoungjee Cho	Venue: Meeting Room 1.4
	Incremental PD – Introductory overview	Yeoungjee Cho, Australia
	Incremental CAPD – French patient case	Clémence Béchade, France
	Incremental PD – South African perspective	Nicola Wearne, South Africa
	Interactive Q & A with the audience	
7:00 – 8:00	ASK THE EXPERTS - CASES	Venue: Auditorium 1 Alcove
7:00 – 8:00	Case discussions on common clinical cases	<i>Martin Wilkie, United Kingdom, Laura Gillis, United Kingdom and Brett Cullis, South Africa</i>
PLENARY SESSION Venue: Auditorium 1 Co-Chairpersons: Rajnish Mehrotra and Martin Wilkie		
8:00 – 8:05	Presentation of the Bergstrom Award	

8:05 – 8:50	What will PD look like in 2036? <i>Simon Davies, United Kingdom</i> Krediet Lecture						
ARE NEW PD SOLUTIONS THE SOLUTION?		QUALITY CARE AT END OF LIFE, LIFE FOR YOUNG AND OLD		MAINTAINING PATIENTS ON PD (French Stream)		REDEFINING PERITONEAL DIALYSIS TREATMENT GOALS	
Venue: Auditorium 1		Venue: Auditorium 2		Venue: Meeting Room 1.61 & 1.62		Venue: Meeting Room 1.4	
Co-Chairpersons: Laura Gillis & Anjali Saxena		Co-Chairpersons: Edwina Brown & Nicola Wearne		Chairperson: Annie-Claire Nadeau-Fredette		Co-Chairpersons: Yazied Chothia & Dina Abdelattif	
9:00	Glucose transport blockade across peritoneal membrane: A novel therapeutic option? <i>Karin Bergling, USA</i>	9:00	Frailty and dialysis decisions <i>Philip Li, Hong Kong</i>	9:00	Protéger la membrane péritonéale, maintenant, et dans le futur? (How to protect the peritoneal membrane, now and in the future?) <i>Eric Goffin, Belgium</i>	9:00	The problem with "V": Reassessing traditional metrics in PD <i>Osama El Shamy, USA</i>
9:20	Novel glucose-free PD solutions: Where are we now? <i>Mark Lambie, United Kingdom</i>	9:20	Challenges of palliative care in low healthcare resource settings <i>Peace Bagasha, Uganda</i>	9:20	Augmenter l'extraction sodée en dialyse péritonéal, une solution pour augmenter la survie de la DP? (Increasing sodium extraction in peritoneal dialysis, a solution to increase PD survival?) <i>Clémence Béchade, France</i>	9:20	Incremental PD for children <i>Bashir Admani, Kenya</i>
9:40	Rethinking glucose: The implications of steady concentration peritoneal dialysis for clinical practice <i>Martin Wilkie, United Kingdom</i>	9:40	Determinants and trends of peritoneal dialysis withdrawal in Australia: A 20-year national cohort study <i>Kate Brotherton, Australia</i>	9:40	Dénutrition en dialyse péritonéale quelle place pour la nutrition entérale? (Malnutrition on PD, what is the role of enteral nutrition?) <i>Thierry Lobbedez, France</i>	9:40	Achieving high-quality, individualized PD: A personalized approach <i>Richard Corbett, United Kingdom</i>
10:00	Point of care PD solution generation: Design, rationale, and current status <i>Peter Rutherford, Switzerland</i>	9:50	Transitioning from PD to supportive care <i>Edwina Brown, United Kingdom</i>	10:00	Dialyse hybride, quand, comment, pourquoi (Hybrid dialysis: When, how and why?) <i>Annabel Boyer, France</i>	10:00	Role of PD in heart failure <i>Simon Davies, United Kingdom</i>
10:20	XyloCore reverses peritoneal fibrosis by regulating metabolism and extracellular matrix remodeling <i>Valentina Masola, Italy</i>	10:10	Patient and family support: perspective of a youth worker <i>Clarissa Lawrence, South Africa</i>	10:20	Outcomes on peritoneal dialysis in patients with primary kidney disease related to multiple myeloma: A cohort study with data from the French Language Peritoneal Dialysis Registry <i>Annabel Boyer, France</i>	10:20	Frailty, not sarcopenia or protein-energy wasting, predicts mortality in peritoneal dialysis: A prospective cohort study <i>Sarinya Boongird, Thailand</i>
		10:25	Discussion				
10:30	Tea / Coffee Break and Poster Viewing					Exhibition Hall (Ballroom East & West)	
HOT TOPICS IN PD		PD ON THE EDGE		PRESCRIBING PD FOR BEST OUTCOMES (French Stream)		YOUNG NEPHROLOGISTS COMMITTEE SESSION: AI IN PD	
Venue: Auditorium 1		Venue: Auditorium 2		Venue: Meeting Room 1.61 & 1.62		Venue: Meeting Room 1.4	
Co-Chairpersons: Lily Mushahar & Sampson Antwi		Co-Chairpersons: Mignon McCulloch & Ana Figueiredo		Chairperson: Thierry Lobbedez		Co-Chairpersons: Ankur Shah & Bianca Davidson	

11:00	PD in diabetes <i>Laura Gillis, United Kingdom</i>	11:00	PD in Emergency situations and disasters <i>Rumeyza Kazancioglu, Turkey</i>	11:00	La DP dans le parcours intégré de la maladie rénale chronique (PD as part of an integrated approach to CKD management) <i>Annie-Claire Nadeau-Fredette, Canada</i>	11:00	DEBATE: AI will revolutionise PD <i>Pro: Winston Fung, Hong Kong</i> <i>Con: Ben Talbot, United Kingdom</i>
11:20	Peritoneal Dialysis management of the patient with cardiovascular disease <i>Roberto Pecoits-Filho, USA</i>	11:25	Outcomes of improvised peritoneal dialysis fluids in managing acute kidney injury among paediatric patients in Kenya <i>Grace Ngaruiya, Kenya</i>	11:25	Particularité des troubles minéraux et osseux en dialyse péritonéale? (Management and particularities of mineral and bone disorders on PD) <i>Fabrice Mac Way, Canada</i>	11:30	Early career nephrologist presentations: <i>Clinical research: Melissa Cheetham, Australia</i> <i>Multiomic research: Michael Balzer, Germany</i>
11:40	PD in AKI <i>Brett Cullis, South Africa</i>	11:35	What is urgent start PD? <i>Ali Abu Alfa, Lebanon</i>	11:50	Quels sont les outils pour bien débiter la dialyse péritonéale? (How do I get started right from the beginning with peritoneal dialysis?) <i>Thierry Lobbedez, France</i>	12:00	AI in PD research <i>Yeoungjee Cho, Australia</i>
12:00	DEBATE: Local production of PD fluid is the answer to PD growth in low resource settings <i>Pro: Ahad Qayyum, Pakistan</i> <i>Con: Vivek Jha, India</i>	12:00	PD in paediatric AKI <i>Peter Nourse, South Africa</i>	12:15	A complicated and burdensome dialysis experience in Primary Hyperoxaluria Type 1 <i>Hanène Gaied, Tunisia</i>	12:20	Peritoneal and Cardiac Impact of Sodium-Glucose Co-Transporter 2 Inhibitors in a Peritoneal Dialysis-Exposed Murine-Model <i>Micky Karsten, The Netherlands</i>
12:20	Discussion	12:25	Discussion	12:25	Discussion		
12:30	Lunch Break and Poster Viewing						Exhibition Hall (Ballroom East & West)
12:55 - 13:55	LUNCH SYMPOSIUM - VANTIVE SYMPOSIUM Chairperson: Peter Rutherford						Venue: Auditorium 1
12:55 - 13:55	Leveraging data insights to improve therapy outcomes across countries with varying levels of equity of access						Rumeyza Kazancioglu, Turkey Osama El Shamy, USA Brett Cullis, South Africa Veronica Miya, South Africa
PLENARY SESSION Venue: Auditorium 1 Co-Chairpersons: Edwina Brown & Peace Bagasha							
14:00 - 14:45	Managing symptoms to promote good quality of life <i>Frank Brennan, Australia</i>						
FROM CLEAR TO CLOUDY EFFLUENT, AND CLEAR TO CLOUDY EVIDENCE: NAVIGATING CONTROVERSIES IN PD-RELATED INFECTION MANAGEMENT		PD ACCESS - ACHIEVING BEST OUTCOMES		PERITONITIS (French Stream)		LIFE PARTICIPATION IN PD	
Venue: Auditorium 1		Venue: Auditorium 2		Venue: Meeting Room 1.61 & 1.62		Venue: Meeting Room 1.4	

Co-Chairpersons: Adrian Liew & Maria Slon Roblero		Co-Chairpersons: Eddie Tan & Elaine Bowes		Chairperson: Eric Goffin		Co-Chairpersons: Frank Brennan & Melissa Cheetham	
15:00	Preventing PD-related infections: Myths, evidence, and ongoing debates <i>David Johnson, Australia</i>	15:00	Best practice in PD Access surgery <i>Henry Van Niekerk, South Africa</i>	15:00	Quelles sont les évolution de la bactériologie des péritonites? (Bacteriological trends over time in PD fluid infection) <i>Annabel Boyer, France</i>	15:00	Older patients - living life to the full <i>Edwina Brown, United Kingdom</i>
15:20	Timely and accurate diagnosis of PD peritonitis: Strengths and limitations of emerging technology <i>Adrian Liew, Singapore</i>	15:20	How nephrologists can ensure best outcomes for percutaneous insertion <i>Robert Freercks, South Africa</i>	15:20	Peut on traiter les péritonites par voie orale? (Can peritonitis be treated orally?) <i>Eric Goffin, France</i>	15:20	Depression in dialysis <i>Marjorie Foo, Singapore</i>
15:40	Peritonitis treatment in 2025: What the guidelines say-and what they don't <i>Philip Li, Hong Kong</i>	15:40	Effect of silver-coated peritoneal dialysis catheters on biofilm reduction <i>Takefumi Mori, Japan</i>	15:40	Doit on traiter les péritonites par voie péritonéale? (Should peritonitis be treated with intraperitoneally route?) <i>Fabrice Mac Way, Canada</i>	15:40	Validation of the Standardised Outcomes in Nephrology - Life Participation (SONG-LP) instrument in people receiving dialysis <i>Cameron Burnett, Australia</i>
16:00	Impact of peritoneal dialysis-related peritonitis on kidney transplant outcomes: Binational registry study <i>Na Jiang, China</i>	15:50	Nursing management of PD catheter dysfunction <i>Abdullah Bohassan, Saudi Arabia</i>	16:00	Discussion	15:50	Exercise in PD to improve wellbeing <i>Kopano Malebo, South Africa</i>
16:10	Discussion	16:10	Discussion			16:10	Discussion
16:15	Tea / Coffee Break and Poster Viewing						Exhibition Hall (Ballroom East & West)
PDI SESSION - REVIEWS OF LITERATURE - BASIC SCIENCE, CLINICAL AND JOURNAL CLUB		PD IS A MULTIDISCIPLINARY TEAM SPORT		PD ACCESS (French Stream)		NUTRITION IN PD - PAEDS AND ADULTS AKI	
Venue: Auditorium 1		Venue: Auditorium 2		Venue: Meeting Room 1.61 & 1.62		Venue: Meeting Room 1.4	
Co-Chairpersons: Martin Wilkie & Ankur Shah		Co-Chairpersons: Sally Punzalan & Alda Vermeulen		Chairperson: Younoussa Keita		Co-Chairpersons: Angela Yee-Moon Wang & Josephine Chow	
16:45	Best of clinical science from PDI <i>Ankur Shah, USA</i>	16:45	Structuring the team for a new PD unit <i>Ahad Qayyum, Pakistan</i>	16:45	La pose percutanée du catheter de dialyse péritonéale par le néphrologue (Percutaneous insertion of the PD catheter by the nephrologist) <i>Annabel Boyer, France</i>	16:45	Educating patients on eating on PD - improving the joy of eating <i>Zarina Ebrahim, South Africa</i>
17:00	Best of PD research from non-PDI <i>Sydney Tang, Hong Kong</i>	17:00	Predialysis education - ensuring a balanced approach <i>Leigh Morton, South Africa</i>	17:05	Migration du catheter, comment prévenir et traiter? (Catheter migration: how to prevent and treat?) <i>Karlien Francois, Belgium</i>	17:00	Role of MDT in supporting nutrition and fluid balance <i>Abdullah Bohassan, Saudi Arabia</i>

17:15	Best of paediatric research <i>Peter Nourse, South Africa</i>	17:15	Home visits: The when, the who and why <i>Maritza Horn, South Africa</i>	17:25	Biofilm du cathéter de dialyse péritonéale, que faut-il faire? (How to handle PD catheter biofilm) <i>Clémence Béchade, France</i>	17:15	Nutrition for the growing child <i>Shihaam Cader, South Africa</i>
17:30	Best of basic research <i>Roland Schmitt, Germany</i>	17:30	Collecting and assessing patient reported outcome measures <i>Melissa Cheetham, Australia</i>			17:30	Obesity: Role of exercise, new drugs, diet and bariatric surgery <i>Jenny Shen, USA</i>
17:45	Nursing contributions to PDI <i>Ana Figueiredo, Brazil</i>	17:45	Recurrent dialysis-dependent acute kidney injury in a neonate with metabolic disease. First institutional experience <i>Mignon McCulloch, South Africa</i>	17:45	Discussion	17:45	Defining and understanding wasting syndromes in dialysis: Early results from the DYNAMICA study <i>Eric Goffin, Belgium</i>
		17:55	Discussion				
18:00 - 18:45	Young Nephrologists Committee (YNC) Quiz						Venue: Auditorium 1 Alcove
18:15	Poster Presentations and Networking						Venue: Auditorium 1 Foyer

Friday, 2 October 2026

ISPD Congress and SA Renal Congress - Cape Town International Convention Centre (CTICC 1)

7:00	Registration SA Renal Congress Registration Open from 11:00	Registration Foyer
7:00 - 8:00	BREAKFAST MEETING – ASPEN PHARMACARE	Venue: Meeting Room 1.4
	Managing the complexity of bone disease in CKD: From guidelines to new therapies	Brett Cullis, South Africa
7:00 - 8:00	BREAKFAST MEETING – ASTRAZENECA – C5 Inhibition in Complement – Mediated TMA – aHUS Launch Chairperson: Errol Gottlich	Venue: Auditorium 2
7:00	Welcome & Opening	Errol Gottlich, South Africa
7:05	Thrombotic microangiopathy and acute kidney injury: When should aHUS and C5 inhibition come to mind?	Miguel Blasco, Spain
7:30	Q & A	Panel
7:35	Complement inhibition and renal recovery in aHUS: A patient case	Errol Gottlich, South Africa
7:45	From crisis to control: An adult aHUS case study	Claudia Do Vale, South Africa
7:55	Closing remarks	Errol Gottlich, South Africa
7:00 - 8:00	ASK THE EXPERTS – CASES	Venue: Auditorium 1 Alcove

7:00 – 8:00	Paediatric Cases	Deveshni Reddy, South Africa and Peter Nourse, South Africa							
PLENARY SESSION Venue: Auditorium 1 Co-Chairpersons: Adrian Liew & Ana Figueiredo									
8:00 – 8:45	Evidenced based education - building the next generation of expert nurses and patients Josephine Chow, Australia								
GROWING THE PERITONEAL DIALYSIS FOOTPRINT		WHAT BASIC SCIENCE CAN TEACH THE CLINICIAN - MEMBRANE PHYSIOLOGY		CONSERVATIVE CARE AND SYMPTOM MANAGEMENT (French Stream)		AFRAN SYMPOSIUM		Department of Health Optimising Access to Dialysis Workshop	
Venue: Auditorium 1		Venue: Meeting Room 1.4		Venue: Meeting Room 1.61 & 1.62		Venue: Auditorium 2		Venue: Meeting Room 1.63 & 1.64	
Co-Chairpersons: Talergnsak Kanjanabuch & Adrian Liew		Co-Chairpersons: Roland Schmitt & Wesley van Hougenhouk-Tulleken		Chairperson: Karlien Francois		Co-Chairpersons: Sampson Antwi & Abdou Niang		Co-Chairs: Yazied Chothia & Albert Muranda	
9:00	Empowering patients to choose PD Brigitte Schiller, USA	9:00	New PD solutions - can basic science lead to improvements for patients Rebecca Herzog, Austria	9:00	Le traitement conservateur, expérience des Néphrologues en Afrique. (Conservative care: the experience of nephrologists in Africa) Jacques Vigan, Belgium	9:00	PD in Africa - Where are we now Rasha Darwish, Egypt	9:00	Sound ethical principles when making optimal use of dialysis spaces Rafique Moosa, South Africa
9:20	Developing PD networks to support growth Jie Dong, China	9:25	SGLT and glucose transporters in the peritoneum Karin Bergling, USA	9:25	Comment mesurer la qualité de vie en Afrique? (Measuring the quality of life in Africa) Nadia Kabbali, Morocco	9:20	PD training for nephrologists in low resource settings Abdou Niang, Senegal	9:15	Mitigating psychological stresses associated with dialysis rationing Kerry Louw, South Africa
9:40	The International Home Dialysis Consortium - does implementation lead to effect Vivek Jha, India	9:45	Beyond the membrane - what Multi-Omics can teach us about PD Rebecca Herzog, Austria	9:50	La Dialyse Péritonéale comme dialyse palliative? (Peritoneal dialysis as palliative dialysis?) Clémence Béchade, France	9:40	Acute PD in Africa - lessons from the Saving Young Lives Program Mignon McCulloch, South Africa	9:30	Safely navigating the medicolegal challenges associated with decisions regarding dialysis access Adv Kgorohlo Moabelo, South Africa
10:00	Expanding PD through advocacy Lily Mushahar, Malaysia	10:10	Alteration of gut microbiota during peritoneal dialysis contributes to peritoneal fibrosis partly through increased production of trimethylamine N-oxide Na Jiang, China	10:15	Discussion	10:00	Peritoneal dialysis in South Africa: prevalence and survival outcomes among incident patients Thabiet Jardine, South Africa	9:45	Pro Con Debate: "There should be a national dialysis rationing policy" Pro: Malcolm Davies, South Africa Con: Vakhtang Rekhviashvili, South Africa

10:20	Strengthening the PD-First Policy through continuous quality improvement: Lessons from the Thai Renal Quality Program <i>Kamol Khositrangsikun, Thailand</i>	10:20	Discussion			10:10	Telemedicine - high-quality care for rural populations <i>Ramon Paniagua, Mexico</i>	10:05	Panel Discussion <i>Panellists: Zunaid Barday, Nicola Wearne, Nina Diana, Malcolm Davies, Robert Freercks, Alain Assounga, Feziwe Bisiwe, Peter Nourse and Mignon McCulloch</i>
10:30 Tea / Coffee Break and Poster Viewing								Exhibition Hall (Ballroom East & West)	
TOWARDS ENVIRONMENTALLY RESPONSIBLE AND SUSTAINABLE PERITONEAL DIALYSIS		WHAT BASIC SCIENCE CAN TEACH THE CLINICIAN		AKI AND URGENT START (French Stream)		EXPANDING PD AND ACCELERATING GROWTH		FROM FELLOW TO LEADER: BUILDING A CAREER IN PERITONEAL DIALYSIS	
Venue: Auditorium 1		Venue: Meeting Room 1.4		Venue: Meeting Room 1.61 & 1.62		Venue: Auditorium 2		Venue: Meeting Room 1.63 & 1.64	
Co-Chairpersons: Anabela Malho Guedes & Simon Davies		Co-Chairpersons: Rebecca Herzog & Karlien Francois		Chairperson: Agathe Nkoy		Co-Chairpersons: Ahad Qayyum & Abdullah Bohassan		Co-Chairpersons: Osama El Shamy & Mohammed Abdelrahman	
10:50	Challenges in achieving sustainability <i>Winston Fung, Hong Kong</i>	10:50	Immunometabolism in PD <i>Rebecca Herzog, Austria</i>	10:50	Panorama de l'insuffisance rénale aigue en Afrique, une place pour la DP? (Overview of AKI in Africa, and the place of PD in its management) <i>Abdou Niang, Senegal</i>	10:50	PD - A global perspective <i>Yeoungjee Cho, Australia</i>	10:50	Best practices in drafting and submitting abstracts and case reports <i>Martin Wilkie, United Kingdom</i>
11:05	Identifying opportunities for improvement <i>Ben Talbot, United Kingdom</i>	11:10	Membrane aging and senescence <i>Roland Schmitt, Germany</i>	11:10	La dialyse péritonéale chez les sujets non planifiés (PD for unplanned dialysis starters) <i>Eric Goffin, Belgium</i>	11:10	Keys to success - the impact of government policy <i>Talergnsak Kanjanabuch, Thailand</i>	11:10	Social media (How to leverage social media for PD education and patient engagement?) <i>Dan Oriba Langoya, Uganda</i>
11:20	Industry perspectives - Future plans and directions <i>Peter Rutherford, Brigitte Schiller and Marjorie Foo</i>	11:30	Cardiovascular effects of PD <i>Micky Karsten, The Netherlands</i>	11:30	Catheters et solutions de dialyse péritonéale de secours (Catheter and emergency PD solution: how to do PD with what you have) <i>Nadia Kabbali, Morocco</i>	11:30	Getting out of first gear - how to move from regional to national growth <i>Ahad Qayyum, Pakistan</i>	11:30	Roles and opportunities for clinicians/non-scientists in contributing to epidemiology and research manuscripts <i>Raj Mehrotra, USA</i>
12:00	A life cycle assessment investigating the location dependence of dialysis environmental impacts <i>Carolyn Bernemann, USA</i>	11:50	c-Fos/LCN2 axis from mesothelial cells induces peritoneal inflammation and fibrosis through triggering C-type lectin receptor signalling pathway <i>Jing Guo, China</i>	11:50	Peritoneal dialysis in emergency settings for end-stage renal disease: Between necessity and limitations <i>Belabbes Bouterfas, Algeria</i>	11:50	Empowering nurses is essential for PD growth <i>Reena George, India</i>	11:50	Leadership opportunities within the ISPD: developing PD growth in your region <i>Adrian Liew, Singapore</i>
		12:00	Impact of SGLT1 and SGLT2 deletion on glucose uptake in rat peritoneal mesothelial cells <i>Takuo Hirose, Japan</i>	12:00	Discussion				

12:10	Lunch Break and Poster Viewing				Exhibition Hall (Ballroom East & West)				
12:25 - 13:25	ISPD Nutrition Guidelines Co-Chairpersons: Josephine Chow & Jie Dong				Venue: Meeting Room 1.4				
12:25	Transforming nutrition care in PD				Angela Yee-Moon Wang, Singapore				
12:55	Deep dive into protein-energy wasting in PD				Zarina Ebrahim, South Africa				
12:25 - 13:25	SA National Department of Health "PD-First" Policy Launch Co-Chairpersons: Feziwe Bisiwe & Nina Diana				Venue: Auditorium 1				
12:20	Welcome from the Department of Health				Ms Caroline Mongale, South Africa				
12:25	Why do we need a PD first Policy in South Africa?				Brett Cullis, South Africa				
12:40	South Africa's PD First Policy - what you need to know				Robert Freercks, South Africa				
13:00	Panel Discussion				Panellists: Fanie Du Toit, South Africa, Peter Nourse, South Africa, Jonathan Maree, South Africa; Nicola Wearne, South Africa				
PLENARY SESSION (French) Venue: Auditorium 1 Co-Chairpersons: Abdou Niang & Annabel Boyer									
13:30 - 14:15	What registries can do to promote PD growth - Nolph Lecture Thierry Lobbedez, France								
ISPD CONGRESS PROGRAMME					SA RENAL CONGRESS: SANS PROGRAMME		SA RENAL CONGRESS: RCSSA PROGRAMME		
ISN SESSION		GUIDELINES SESSION		PAEDIATRIC (French Session)	TRANSPLANT Supported by Astellas		INFECTION CONTROL & QUALITY IMPROVEMENT		
Venue: Auditorium 1		Venue: Meeting Room 1.4		Venue: Meeting Room 1.61 & 1.62	Venue: Auditorium 2		Venue: Meeting Room 1.63 & 1.64		
Co-Chairpersons: Sydney Tang & Marina Wainstein		Co-Chairpersons: Richard Corbett & Philip Li		Chairperson: Younoussa Keita	Co-Chairpersons: Malcolm Davies & Wesley van Hougenhouk-Tulleken		Co-Chairpersons: Reena Moodley & Maritza Horn		
14:30	CKD as an NCD emergency proposed solutions and feedback from the WHA Marcello Tonelli, Canada	14:30	Developing ISPD Guidelines - journey from start to implementation Josephine Chow, Australia	14:30	L'abord péritonéale en urgence chez l'enfant, l'expérience du Sénégal (Emergency PD catheter insertion in children, the Senegal experience) Younoussa Keita, Senegal	14:30	Kidney paired donation: Unlocking opportunities to increase donor numbers Zunaid Barday, South Africa	14:30	Growing up on dialysis: The struggles and strengths of adolescents Zibya Barday, South Africa

14:50	The Global Kidney Health Atlas <i>David Johnson, Australia</i>	14:50	Managing the transfer to HD <i>Mark Lambie, United Kingdom</i>	14:50	Faut il mesurer la pression intra-péritonéale chez l'enfant (Should intraperitoneal pressure be measured in paediatric PD?) <i>Agathe Nkoy, DRC</i>	14:45	Governance in transplantation: Understanding the in workings of the Ministerial Advisory Committee <i>Albert Muranda, South Africa</i>	14:45	PD and HD dialysis catheter management: Reducing risk, improving outcomes <i>Elaine Bowes, United Kingdom</i>
15:10	The ISN framework for dialysis provision in LMIC's - the role of PD potentials and pitfalls? <i>Abdou Niang, Senegal</i>	15:10	Teaching PD <i>Ana Figueiredo, Brazil</i>	15:10	La dialyse péritonéale chez l'enfant, expérience de la RDC (Paediatric PD: the experience of DRC) <i>Agathe Nkoy, DRC</i>	15:00	Challenges in paediatric transplantation - not for the faint hearted <i>Mignon McCulloch, South Africa</i>	15:00	Managing isolation on the dialysis unit: MDR bacteria, Blood borne Viruses and other nasties <i>Nina Diana, South Africa</i>
15:30	Discussion	15:30	Discussion	15:30	Discussion	15:15	Navigating Viral Hepatitis in Transplantation: Challenges and Solutions <i>Mark Sonderup, South Africa</i>	15:15	The Absence of Infection Prevention and Control Guidelines for Haemodialysis Units in South Africa: An Urgent Call for Policy Action <i>Siyanda Ngema, South Africa</i>
						15:30	Safety and effectiveness of long-term isoniazid treatment for the prevention of tuberculosis in high-risk dialysis patients <i>Robert Freercks, South Africa</i>	15:30	Successful peritoneal dialysis in a paediatric patient residing in informal housing, South Africa. A case report <i>Nesi Dlamini, South Africa</i>
						15:35	Kidney biopsy findings in children between 0 and 60 months of age from minimally invasive tissue sampling autopsies in Soweto, South Africa <i>Prudence Mdhuli, South Africa</i>		
						15:40	Building Sustainable Kidney Transplant Programmes in Africa: The AFRAN Transplant Guidelines <i>Wesley van Hougenhouck-Tulleken, South Africa</i>		
15:45 - 16:00	Tea / Coffee Break and Poster Viewing							Exhibition Hall (Ballroom East & West)	
ISPD CONGRESS PROGRAMME						SA RENAL CONGRESS: SANS PROGRAMME		SA RENAL CONGRESS: RCSSA PROGRAMME	

NAVIGATING OVERHYDRATION IN PD: DO NOVEL ASSESSMENT TOOLS SPEAK VOLUMES?		PDOPPS SESSION		QUALITY PRESCRIBING - INCREMENTAL, SYMPTOM CONTROL, PSYCHOSOCIAL, MAINTAINING ON PD (French Session)		GLOMERULONEPHRITIS		VASCULAR ACCESS	
Venue: Auditorium 1		Venue: Meeting Room 1.4		Venue: Meeting Room 1.61 & 1.62		Venue: Auditorium 2		Venue: Meeting Room 1.63 & 1.64	
Co-Chairpersons: Mignon McCulloch & Osama El Shamy		Co-Chairpersons: Mark Lambie & Yazied Chothia		Chairperson: Fabrice Mac Way		Co-Chairpersons: Zunaïd Barday & Shoyab Wadee		Co-Chairpersons: Jonathan Maree & David Mphuthi	
16:00	DEBATE: Technology is necessary to assess fluid balance in the modern era <i>Pro: Maria Slon, Spain</i> <i>Con: Simon Davies, United Kingdom</i>	16:00	PDOPPS global overview <i>Roberto Pecoits-Filho, USA</i>	16:00	Les unités de transition pour la Dialyse Péritonéale (Transit care units for PD) <i>Annie-Claire Nadeau-Fredette, Canada</i>	16:00	How many cell types are there in the kidney and what do they do <i>Michael Balzer, Germany</i>	16:00	Dialysis vascular access monitoring and intervention <i>Eddie Tan, New Zealand</i>
16:45	Devising New Devices: Innovations in peritoneal dialysis technology <i>Osama El Shamy, USA</i>	16:10	Are we winning the battle against infection - PDOPPS weighs in <i>Roberto Pecoits-Filho, USA</i>	16:15	L'adéquation?, changement de concept? (Adequacy on PD? a new paradigm of care) <i>Annabel Boyer, France</i>	16:18	How to treat IgA nephropathy in 2026 <i>Sydney Tang, Hong Kong</i>	16:30	Using POC ultrasound to manage and access the haemodialysis patient <i>Shareshnee Govender, South Africa</i>
17:05	An explainable machine-learning model for identifying and validating fast peritoneal transfer rate with prognostic implications in patients with peritoneal dialysis <i>Jing Guo, China</i>	16:25	How has PDOPPS influence clinical guidelines in Japan <i>Yasuhiko Ito, Japan</i>	16:30	La collaboration avec les centres experts pour augmenter la durée de la dialyse péritonéale (Collaboration with expert centres to increase the duration on PD) <i>Karliën François, Belgium</i>	16:36	The Kidney's local dialect. Glomerular disease experience in central South Africa <i>Feziwe Bisiwe, South Africa</i>	16:45	Needling techniques - buttonhole vs rope ladder which should we use? <i>Tinus du Toit, South Africa</i>
		16:40	PD prescribing. Are we too prescriptive <i>Ankur Shah, USA</i>	16:45	DPA first ou DPCA first pour durer en Dialyse Péritonéale? (PD first or DPCA first to last longer on PD?) <i>Thierry Lobbedez, France</i>	16:54	How I treat lupus nephritis in 2026 <i>Kate Webb, South Africa</i>	17:00	Evaluating the Effect of Structured Patient Education on Dialysis Outcomes in South Africa <i>Tebogo Ndhlovo, South Africa</i>
		16:55	Transforming PD in LMIC's - lessons from PDOPPS <i>Talermsak Kanjanabuch, Thailand</i>	17:00	Peritoneal dialysis in the Republic of Congo: History and current issues <i>Pierre Eric Gandzali Ngabe, Congo</i>	17:12	A retrospective study of kidney transplantation ineligibility at a tertiary level public hospital in Johannesburg, South Africa <i>Lauren Musson, South Africa</i>	17:15	SA Renal Registry Report <i>Thabiet Jardine, South Africa</i>
						17:17	Genetics and clinical phenotype of children with nephrotic syndrome at a tertiary hospital in South Africa: A descriptive study <i>Shannon Leahy, South Africa</i>		

						17:22	Dissecting Genetic Contributors to eGFR Bias: Impact of African-Enriched GATM Regulatory Variants on Creatinine-Derived eGFR <i>June Fabian, South Africa</i>		
						17:27	Diagnostic Yield & Clinical Impact of Kidney Biopsy in Patients with Diabetes and Proteinuria in a South African Tertiary Centre <i>Aadil Omar, South Africa</i>		
						18:00	SA Renal Congress Networking Function		Exhibition Hall (Ballroom East & West)

Saturday, 3 October 2026

ISPD Congress and SA Renal Congress - Cape Town International Convention Centre (CTICC 1)

7:00	Registration			Registration Foyer
7:00 - 8:00	ISPD General Assembly			Venue: Auditorium 2
7:00 - 8:00	SA Renal Congress Plenary Session Co-Chairpersons: vChristel Du Buisson & Zubair Asmal			Venue: Auditorium 1
7:00 - 7:20	Managing symptoms in patients not offered dialysis			<i>Peace Bagasha, Uganda</i>
7:20 - 8:00	Debate: Dialysis for the marginal patients			<i>Shoyab Wadee, South Africa vs. Graham Paget, South Africa</i>
PLENARY SESSION Venue: Auditorium 1 Co-Chairpersons: Brett Cullis & Jenny Shen				
8:00 - 8:45	The future of healthcare-related research in Africa: Collaboration and innovation			<i>Ntobeko Ntusi, South Africa</i>
ISPD CONGRESS PROGRAMME			SA RENAL CONGRESS: SANS PROGRAMME	SA RENAL CONGRESS: RCSSA PROGRAMME
MANAGING PD-RELATED TRANSITIONS	NURSING DEVELOPMENT	AFRICAN NEPHROLOGY POLICY FORUM	PREGNANCY / NEONATAL OUTCOMES	HAEMODIALYSIS

Venue: Meeting Room 1.4		Venue: Meeting Room 1.61 & 1.62		Venue: Auditorium 2		Venue: Auditorium 1		Venue: Meeting Room 1.63 & 1.64	
Co-Chairpersons: Ali Abu Alfa & Ulrika Hahn Lundstrom		Co-Chairpersons: Barbara Crisp & Maritza Horn		Co-Chairpersons: Charles Swanepoel & Nicola Wearne		Co-Chairpersons: Deveshni Reddy & Feziwe Bisiwe		Co-Chairpersons: Vusi Mkatshwa & Ansune Korb	
9:00	Transitioning from CKD to PD - Role of predialysis education <i>Sally Punzalan, United Kingdom</i>	9:00	Patient education and adherence with low health literacy <i>Martiza Horn, South Africa</i>	9:00	Welcome <i>Charles Swanepoel, South Africa</i>	9:00	Screening and follow up of CAKUT <i>Christel Du Buisson, South Africa</i>	9:00	Technology to interpret fluid balance and HD adequacy - common pitfalls <i>Vakhtang Rekhviashvili, South Africa</i>
9:20	Transitioning PD to HD: Who, when & how <i>Ali Abu Alfa, Lebanon</i>	9:20	Mentoring and professional development <i>Ana Figueiredo, Brazil</i>	9:10	The current status of CKD, dialysis workforce in Africa <i>Abdou Niang, Senegal</i>	9:15	Pregnancy-associated AKI: Life after the acute phase <i>Bianca Davidson, South Africa</i>	9:15	Hypotension on dialysis - is it all about fluid? <i>Malcolm Davies, South Africa</i>
9:40	Transitioning PD from paediatrics to adults: Is there an ideal time? <i>Zibya Barday, South Africa</i>	9:40	Supporting PD nurse growth in Africa <i>Barbara Crisp, South Africa</i>	9:30	Preventative management of CKD, saving lives and dollars <i>Marcello Tonelli, Canada</i>	9:45	Neonatal AKI management <i>Bashir Admani, Kenya</i>	9:30	New dialysis membranes, are they worth the hype? <i>Alda Vermeulen, South Africa</i>
10:00	Transitioning from AKI to ESKD in low resource areas <i>Sampson Antwi, Ghana</i>	10:00	Discussion	9:50	Approach to dialysis provision in Africa - Acute to chronic <i>Brett Cullis, South Africa</i>	10:00	Comparison of survival outcomes between South African patients on haemodialysis and peritoneal dialysis <i>Bala Waziri, Nigeria</i>	9:45	Balancing bleeding and clotting: Anticoagulation in dialysis <i>Lungiswa Mtingi-Nkonzombi, South Africa</i>
						10:05	Delays in kidney replacement therapy workup in patients with advanced chronic kidney disease at Helen Joseph Hospital <i>Anashya Hirmamun, South Africa</i>		
						10:10	Beyond Delivery: APOL1 Risk and Early Postpartum Kidney Health After Preeclampsia in South Africa <i>Bianca Davidson, South Africa</i>		
10:20	Urgent-start dialysis: Peritoneal or hemodialysis-which fares better? <i>Abhilash Chandra, India</i>	10:10	Nurse sensitive indicators <i>Sally Punzalan, United Kingdom</i>	10:05	The forgotten ones - kidney disease in Children <i>Mignon McCulloch, South Africa</i>	10:15	Renal Function Trajectories and Tacrolimus Exposure in Paediatric Liver Transplant Recipients: A South African Cohort Study <i>Tholang Khumalo, South Africa</i>	10:00	Artificial Intelligence Readiness in Nephrology: Awareness, Perceptions, and Barriers to Adoption Among Kidney Care Professionals in South Africa <i>Boitumelo Mudumela, South Africa</i>

[illegible]

10:30 Tea / Coffee Break and Poster Viewing

Exhibition Hall (Ballroom East & West)

ISPD CONGRESS PROGRAMME						SA RENAL CONGRESS: SANS PROGRAMME		SA RENAL CONGRESS: RCSSA PROGRAMME	
LATE-BREAKING STUDIES		NOVEL IT IN PD – TRAINING, MONITORING, USE OF AI ETC.		AFRICAN NEPHROLOGY POLICY FORUM		CARDIO-RENAL METABOLIC SYNDROME		ETHICAL DIALYSIS MANAGEMENT	
Venue: Meeting Room 1.4		Venue: Meeting Room 1.61 & 1.62		Venue: Auditorium 2		Venue: Auditorium 1		Venue: Meeting Room 1.63 & 1.64	
Co-Chairpersons: Roland Schmitt & Anjali Saxena		Co-Chairpersons: Winston Fung & Ben Talbot		Co-Chairpersons: Charles Swanepoel & Abdou Niang		Co-Chairpersons: Phetho Mangena & TBC		Co-Chairpersons: Mark Padavattan & Nozipho Magundumane-Tladi	
11:00	Safety and acceptability of an antimicrobial impregnated catheter for the prevention of peritoneal dialysis catheter-related infections <i>Maarten Taal, United Kingdom</i>	11:00	Flexing PD delivery with wearable devices <i>Marjorie Foo, Singapore</i>	11:00	Conservative care in Africa – Making the most of a bad situation <i>Nicola Wearne, South Africa</i>	11:00	The prevalence and severity of the symptom burden in patients with End Stage Kidney Disease (ESKD) in a resource limited setting <i>Ane Jansen van Vuuren, South Africa</i>	11:00	Ethical approaches to managing disruptive behaviours in the dialysis unit <i>Yeoungjee Cho, Australia</i>
						11:05	Retrospective review of the spectrum of HIV-related kidney pathology at a tertiary centre in South Africa <i>Anna-Liisa Tonata Kaapangelwa, South Africa</i>		
11:15	A prospective, multicenter, randomized, crossover study of ultrafiltration and peritoneal sodium removal in steady concentration peritoneal dialysis <i>Jennifer Allen, United Kingdom</i>	11:20	PDTAP – results of systematic PD telemedicine platform in China <i>Jie Dong, China</i>	11:15	Ethics surrounding the management of kidney disease in Africa <i>Valerie Luyckx, Switzerland</i>	11:10	Beyond Numbers. Navigating BP in Diabetes <i>Yazied Chothia, South Africa</i>	11:20	Nursing care and ethical responsibility in dialysis symptom management <i>Frank Brennan, Australia</i>

11:30	Parietal Peritoneal Elastography Reflects Structural Burden Rather Than Functional Transport in Peritoneal Dialysis Patients <i>Mahmud Islam, Turkey</i>	11:40	Harnessing AI to enhance outcomes in PD <i>Osama El Shamy, Canada</i>	11:27	Experience of developing the kidney programme in Kenya – A policy makers perspective <i>Stephen Mutiso, Kenya</i>	11:30	Predicting long term Cardiovascular outcomes using albuminuria and eGFR <i>June Fabian, South Africa</i>	11:40	Respecting culture, saving lives: Navigating ethical barriers to donation <i>Veronica Miya, South Africa</i>
11:45	The portable WEarable Artificial KIDney (WEAKID) device for peritoneal dialysis: Preliminary safety and efficacy results from the First-in-Human trial <i>Dian P. Bolhuis, Netherlands</i>	12:00	Remote patient monitoring does it improve outcomes in rural areas <i>Ramon Paniaguas, Mexico</i>	11:35	Managing conflicting priorities in healthcare <i>Nicholas Crisp, South Africa</i>	11:50	Incremental dialysis: Benefits and cardiovascular risks <i>Melissa Cheetham, Australia</i>	11:55	When should patients take their medication in relation to dialysis? Shattering the myths <i>Lindie van Tonder, South Africa</i>
12:00	When the Water Stops: Dialysis at Risk During Urban Flooding in a Middle-Income Country With a PD-First Policy <i>Uraiwan Parinyasiri, Thailand</i>	12:20	Discussion	11:55	Panel Discussion	12:10	CKDOPPS: Global practice patterns in CKD 3 - 5 <i>Roberto Pecoits-Filho, USA</i>	12:15	Discussion
12:15	Discussion								
12:40	ISPD AND SA RENAL CONGRESS CLOSING CEREMONY							Auditorium 1	
12:40	Closing Remarks and Vote of Thanks							Rajnish Mehrotra, USA	
12:45	Closing Remarks and Vote of Thanks							Brett Cullis, South Africa	
12:48	Renal Care Society of South Africa (RCSSA) Awards							Reena Moodley, South Africa	
12:55	South African Nephrology Society (SANS) Awards							Nicola Wearne, South Africa	
13:02	ISPD Asia Pacific Chapter Meeting 2027 Busan							Prof Choi, South Korea	
13:05	ISPD EuroPD Porto							Anabela Rodriguez, Portugal	
13:13	Closing							Nicola Wearne, South Africa
